DIMENSIONS

Disclaimer: Please note that some of the images contained in this brochure may not be available in South Africa as these images are sourced from Hyundai Motor Corporation global marketing channel and are for marketing purposes only. For exact models, specifications and colours – please consult your Hyundai dealer. Some of the equipment illustrated or described in this catalogue may not be supplied as standard equipment and may be available at extra cost. Hyundai Motor Corporation reserves the right to change specifications and equipment without prior notice. The colour plates shown may vary slightly from the actual colours due to the limitations of the printing process. Please consult your dealer for full information and availability on colour and trims. Fuel consumption figures quoted are obtained under specific test conditions, they may not be achieved under 'real world' driving conditions. However, the figures serve as a means of comparing models of a similar type.

SLEEK FUNCTIONALITY

There's no need to compromise on style or performance when travelling with a crowd. Whether you're taking your larger-than-most family from A to B, showing visitors the sights in your city or embarking on that dream holiday with friends, the H-1 has all the comfort, safety and power to make the journey world-class. In short, it's the travel partner you've always wanted.

CRUISE CONTROL ON 2.5 VGTi (DIESEL ONLY)

When you're travelling long distances, you don't want to be watching your speedometer every moment of your trip. The auto cruise control of the H-1 guarantees you stay at the speed you want, giving you one less thing to think about when you're behind the wheel. It's all part of giving you a smooth ride second to none.

SUPERIOR SAFETY

Hyundai is committed to the ultimate safety of anyone that chooses to drive one of our vehicles. Driver and passenger air bags are found in all our H-1 models with the H-1 2.5 diesel bus boasting side airbags for added protection. Stringently tested, these safety devices deploy instantly on impact without causing any injury in the process.

STATE-OF-THE-ART AUDIO SYSTEM

Every journey needs a soundtrack. The H-1 features a high quality touchscreen infotainment system with optional SAT NAV ensuring the quality of your favourite song matches that of your driving experience. The top of the range speakers have been strategically placed so that every passenger will enjoy every beat of your trip.

FULL AUTO AIR-CONDITIONING SYSTEM

It's easy to stay cool in the H-1. The fully automatic air-conditioning system available in the 2.5L Diesel A/T Bus means the air in the vehicle is always at the perfect temperature. Use the simple controls to set the dual air-conditioning in the H-1's front seats and separate air-conditioning for the rear seat passengers. Everyone's perfect temperature will be maintained throughout your journey.

WORLD-CLASS PERFORMANCE

The 2.5L CRDi Diesel Engine boasts multi-point fuel injection and 16-valve technology. Its maximum output registers 125 kW/3 600 and 441Nm/2 250. The 2.4L DOHC petrol engine features CVVT (Continuously Variable Inlet Valve Timings), 16-valve technology and a 3-way catalytic converter. With a power output of 126kW/6000Rpm and 224Nm @ 4 200 Rpm torque, it offers more power, lower harmful emissions and improved fuel efficiency.

BOLD DESIGN

The H-1 proves you don't have to sacrifice style for the sake of performance. A comfortable, spacious interior is complemented by a strong, modern exterior design. Flush-fitting side windows, alloy wheels and tilting doors add to the distinct Hyundai vehicle aesthetic. Inside you'll enjoy spacious seating, power window controls, and a convenient sun visor.
