## Light commercial vehicles

## LUXURY COMES IN GRAND PACKAGES

The economical Grand i10 Cargo offers an exceptional use of space. Its interior noise has been reduced with a redesigned engine mount system, a quieter fuel pump and improved body rigidity, while advanced technology like intuitive steering wheel audio and Bluetooth controls, an infotainment system\* with Bluetooth integration, and handy USB ports ensure a driving experience that brings thrill and luxury together seamlessly.

\*Fluid model only.

## SPACE TO GROW YOUR BUSINESS

The Hyundai Grand i10 Cargo makes you rethink everything you thought you knew about compact hatches. It gives you a 1202 litre load capacity (VDA), offering up 1.2 cubic metres of cargo room. This zippy, dynamic and compact cargo vehicle also features a luggage net with hooks to secure your cargo to the floor area.

## PROTECT YOUR PRECIOUS CARGO

With security barriers on all the rear and back windows, whatever you're carrying will be protected. The Hyundai Grand i10 Cargo also comes with a cargo barrier between the cargo area and the 2 front seats, helping ensure the cargo stays in place, no matter the braking conditions.

## THE H-100. IT LOVES TO WORK

The Hyundai H-100 will redefine your expectations of a light truck. It's tough and versatile enough to match almost every challenge, no matter how large or small your undertaking. It's compact enough to cope with limited spaces, but with a payload and crew capability usually confined to much larger vehicles. The Hyundai H-100 sets a whole new standard of refinement and practicality.

## A TOUGH 1.3 TON WORKHORSE

The tried and tested H-100 has operated under some of the toughest working conditions, earning its reputation as one of the toughest light commercial vehicles available today. The 1.3 ton H-100 is well known in the model range, and is popular with business operators in need of a versatile, reliable vehicle.

## QUALITY OF COMFORT

A comfortable workplace improves efficiency, so it's no surprise that the H-100 offers a new level of comfort. Extra seat and shoulder width for freedom of movement, a driver oriented console and car-like instrument cluster put comfort and control at your fingertips.

## ATTENTION TO DETAIL

Additional convenience details such as the forward-folding centre front seat, sunglasses and cup holders, together with a wide range of intelligently designed storage facilities, all combine to provide an exceptionally efficient and functional interior.

### CRUISE CONTROL

When you're travelling long distances, you don't want to be watching your speedometer every moment of your trip. The cruise control of the H-1 guarantees you stay at the speed you want, giving you one less thing to think about when you're behind the wheel. It's all part of giving you a smooth ride second to none.

### WORLD-CLASS PERFORMANCE

The 2.5 litre CRDi Diesel Engine boasts multi-point fuel injection and 16-valve technology. Its maximum output registers 125 kW/3 600 and 441Nm/2 000~2 250 torque, it offers more power, lower harmful emissions and improved fuel efficiency.

### BOLD DESIGN

The H1's tough, dynamic styling includes a semi bonneted design, character wheel arches and a low solid stance, making it perfect for every type of business and for whatever you may be carrying. Inside you'll enjoy spacious seating, power window controls and a convenient sun visor.
